SUBJECT

ESTABLISHMENT OF A MARITIME ADMINISTRATION FIELD CONSTRUCTION OFFICE MANUAL

Section 1. Purpose:

The purpose of this order is to authorize the establishment and maintenance of a Maritime Administration Field Construction Office Manual, as a part of this order.

Section 2. Contents and Issuance of Manual:

2.01 The Field Construction Office Manual shall contain instructions for administration of the field construction offices and shall describe the functions deemed necessary to assure performance of the contractors' work in accordance with ship construction contracts or agreements with the Maritime Administration or the Maritime Subsidy Board. This manual shall be used as a handbook by all employees attached to the field construction offices.

2.02 Field Construction Office Manual issuances shall be initiated by the Office of Shipbuilding Costs and Production and have the concurrence of the Director, Office of Management Services and Procurement, as provided in Maritime Administrative Order 200-1.
